

Performance Bicycle

Gains ability to process online orders
through a supplier network

THE COMPANY

Performance Bicycle has operated for 30+ years in Chapel Hill, North Carolina. It is America's leading omni-channel bicycle retailer with over 100 store locations across 19 states.

THE CHALLENGE

- Lack of automation with merchandise replenishment process
- Vendor drop ship communication/process
- Integration with internal Manhattan DOM

ENVISTA'S SOLUTION

- Trading Partner Management EDI Managed Service Solution
- Key EDI transaction sets: 850, 855, 856, 846

THE RESULTS

enVista provided an ability to process online orders through its supplier network.

PERFORMANCE
BICYCLE

“They brought a wealth of industry knowledge and expertise to our team. They factored in what other retailers were doing, best practices, and what they knew about the industry. It will not take long for you to realize they know what they’re talking about; they’re experts, and their team is high quality from top to bottom.”
